

Pray for the Wrights MISSIONARIES TO GREENLAND

April/May 2016

Greetings in the name of the Lord Jesus Christ. We pray and trust all is going well for you in your service for our King. We thank you for your prayers and financial support which keeps and encourages us to continue going.

These past few months the deputation trail has taken us from the PA area, across the Midwest to SD, back to PA and here in WI, for several different mission conferences. It was a blessing to be around other missionaries to see how they present their burden and calling of ministry. We also enjoyed the veteran missionaries' stories, as they passed on what they have learned while on deputation and on the field. We consider their input a valuable learning tool. By the time this letter arrives, we will have been in nearly fifty churches since entering full time deputation in February.

I thought when I left the shop I was done racing the clock to beat the flat rate time and get a job accomplished. However, we still face the pressure as we visit churches to tell what we know about the unique field God has called us to, and preaching a Bible challenge in a certain time frame. It is interesting to say the least, but God is good. The truth is, time is something we all are racing and fighting to get something accomplished for our Lord.

We are grateful for the Lord's protection and provision over the many highway miles. We still face many challenges as we progress and keep our hands upon the plow. However, with the challenges are opportunities or obstacles, depending on how one wants to look at it. The realization of not having a home to "retreat and rest" can play in one's mind. It seems we never really get a break from the packing and unpacking lifestyle, but we are making memories that we never could have dreamed up. It is indeed a privilege to serve and watch our Lord work with imperfect pieces in His master (perfect) plan.

We are thankful for God's blessings upon us. We are currently at 15% of our needed support. It has been encouraging as new churches and individuals have decided to partner with us these past few months to reach the country of Greenland with the gospel. We covet your prayers that God will open and close the right doors for us as we continue our deputation trail.

For His Glory,

The Wrights
