

Pray for the Wrights MISSIONARIES TO GREENLAND

February and March 2017,

Greetings in the name of the Lord Jesus Christ. Thank you for your support in prayers and finances. It is truly an honor and privilege to be in the service of our King.

We are again very busy with a full schedule and different conferences throughout the week days. We are always very excited to reach the end of the month to see if we have any new financial supporters. The past few months have been slow, but this month we did see new supporters that brought our support level to 61%. Praise the Lord!

Based on our current support level, we have another year of deputation. We are looking at next summer as a possible target date to move to Greenland. We feel more comfortable making our move during the summer months when we have daylight and we know the ice is passable. This will also give us an opportunity to attend Baptist Bible Translators Institute in Bowie, TX this August. This is a nine month linguistic school that we feel will be valuable for learning two languages, and will prepare us for translation work in Greenlandic. We will go to classes throughout the week and continue deputation on Sundays and Wednesdays. The difficulty is we have very few contacts in TX. If you know of any mission minded churches in the area and would be willing to pass on that information to us, we will gladly accept any help in this matter. ☺ Lord willing, if all goes as planned, we will finish both deputation and linguistic training in May 2018, and be in Greenland by the end of June 2018.

Our oldest daughter Katelynn has reached an exciting milestone in her life. She has completed high school! After much prayer and consideration, we decided to send her back to SD to be with her grandparents. She will be busy in church and working. We miss her greatly. We ask that you pray for the Lord's leading in her life.

We are also still planning our visit to Greenland this coming June. We will be visiting the only Baptist missionary there and working with the boat ministry in Ilulissat. As we prepare, please continue to pray that God will give us understanding and wisdom to learn and gather the necessary information that is vital to our success there. We are grateful and have been extremely humbled by the giving of God's people to help us with the costs of our airline tickets to make this trip possible.

We covet your prayers as we continue to travel the roads for safety, protection, and provisions. May the Lord continue to richly bless you in His service.
