

# Pray for the Wrights MISSIONARIES TO GREENLAND

January 2017,

Greetings in the name of our Lord and Savior Jesus Christ. We trust as you read our prayer letter you are enjoying the goodness of our Lord. We pray that you have had a wonderful holiday season.

This February makes one year that we have been on full time deputation. The Lord has blessed and exceeded our expectations in providing and protecting us. We have traveled 50,000 miles to be in more than 130 churches! We started full time with around 5%, and presently we are just over 50%! Busy, tired, surprised, encouraged and humbled are just some of the words to summarize the meetings God has allowed us to be a part of. We are thankful for the open and closed doors. We are truly grateful for those that have partnered with us to reach Greenland with the gospel by their giving. We do not take you for granted! We are excited as we begin the new year with ample opportunities to present the need of Greenland to more new churches.

The holidays were somewhat slow as far as meetings, but we were able to get some much needed rest and get ready for the upcoming months. Our camper is also in the shop as we prepare for the busy months that lie ahead. Without a shop, I am unable to fix the repair myself because our slider has to come out due to some water damage. Please pray that the needed repairs will be done properly and in a timely manner. (Life of an RV'er ☺)

As many of you know, Timothy, our oldest, started Pensacola Christian College this past August. Our goal was that he would at least go a semester and to see what he thought of it. He honored our wishes, and feels that PCC is not for him. Pray for the Lord's leading in his life. He has found a job and relocated to Virginia where he is attending a good church. This is a trying time, not only for us, but for him. The luxury of "leaving the nest" on his own timing has not been an option for him. Pray for him, as he is adjusting to the responsibility of being on his own.

We are currently planning a brief visit to Greenland this summer. We believe it would be beneficial in getting a better idea of living expenses and housing options. We want to also have a brief part in the boat ministry that will be getting under way once again during the summer months. I feel it will give us some insight on what we are up against. With my mechanic background, I am wanting to take a closer look at the equipment, evaluate, and if need be purchase any needed items while here in the states. This could prove crucial to our safety, and longevity of the boat's ministry there. This is a huge undertaking, but what an exciting opportunity that lies before us. Pray for us.

We thank you for your prayers and financial support. We also wanted to say a special thank you for the extra gifts and money for Christmas. My family and I truly enjoyed each one. We pray the Lord will continue to bless you in His service.

For His Glory,

The Wrights

"...The harvest truly is great, but the laborers are few: pray ye therefore the Lord of the harvest, that he would send forth laborers into his harvest." Luke 10:2
