

# Pray for the Wrights MISSIONARIES TO GREENLAND

July, 2016

Greetings in the name of the Lord Jesus Christ. What a privilege it is to be in the service of the King! We praise the Lord for His goodness to us as we continue the deputation trail. The past two months we have been in thirty different churches in NC, SC, TN, and KY. Many of those churches were unaware of the need that lies in Greenland. What an opportunity they have to make a difference and be a part of a true pioneer mission work. We are excited for those that already have made it known that they are partnering with us to reach the country of Greenland with the gospel. If all the pledges come forth as promised, our needed support level will be close to 30%! Thank you!

We are grateful for your continued prayers for our safety as we are in different places and situations. We experienced firsthand God's protection while staying at a prophet's chamber. Our first night there was awakened by a loud bang in the night. I got up adrenaline pumping, and searched the entire building, under the pews, in the bathrooms, only to find it was the ice maker dumping ice. The ice maker caused us to sleep light. The very next night we were awakened by another noise. I got up, a bit skeptical, until I saw a flashlight trace the window from the outside where we were staying. Then there was another confirmation of forceful hits to the door. I raced to the door, and confronted the attempted burglar by hitting back on the door from the inside, and asking who was there. He didn't answer but immediately took off running. On the bright side, maybe this missionary saved that church some money☺.

We covet your prayers for safety and wisdom as we continue visiting churches and presenting the work the Lord has called us forth to do. As most of you are aware, Greenlanders speak Greenlandic. However, to learn Greenlandic one must learn Danish first because basic schooling for Greenlandic is only taught in Danish. We have started learning the Danish language and ask that you pray God gives us an understanding of the languages. We are well aware of the hard work that lies ahead of us, but we know God is able to do exceedingly, abundantly above all that we ask or think.

For His Glory,  
The Wrights
