

Pray for the Wrights MISSIONARIES TO GREENLAND

March 2016,

Dear Prayer and Financial Supporters:

Greetings in the name of the Lord Jesus Christ. We trust and pray all is going well as you're reading our prayer letter.

We praise the Lord for answered prayer! Our house sold within two weeks of being put onto the market. We were able to finalize all the paper work the day we left South Dakota to begin full time deputation. We see and realize His timing is always perfect. We were also grateful for the many items we were able to move and sell in the middle of winter, including a riding mower and tiller which we thought would be impossible. But we know our God can do exceedingly abundantly above all that we ask or think.

We have relocated to North Carolina to work out of my mom's place to be more centrally located in the Bible belt. We are grateful for the Lord's protection and provision during our move. The weather, from the time we left South Dakota, to the traveling in the Pennsylvania area for meetings has been clear and good.

This has been a new and challenging mindset for my family and me. I thought juggling nuts and bolts as a mechanic and making sense of it all was hard; preacher's names, addresses, and dates I am finding out is just as difficult. We covet your prayers as we continue to adjust to the journey of deputation. It has also been hard to leave our oldest son with Grandma. Timothy is working and trying to save money for college. Pray for the Lord's guidance in his life.

On a lighter note, we were preaching during a Missions conference and in the midst of telling about our involvement with the boat ministry we heard a rather distinct sound. One of the members had forgotten to turn off his cell phone. The tune I soon recognized as "Popeye the Sailor Man". You talk about perfect timing, I had to stop and laugh. You could see him somewhat embarrassed and scrambling to hurry and shut it off, but it made it through the entire tune. He said to consider it a "blessing" on the boat ministry. ☺

It's truly amazing to see how the Lord guides in the different places and people we are allowed to meet. Please pray that our schedule would continue to stay full, and that God's people would see the need that desperately lies in Greenland. We prayerfully ask for more laborers and supporters of the cause.

For His Glory,

The Wrights

"...The harvest truly is great, but the laborers are few: pray ye therefore the Lord of the harvest, that he would send forth laborers into his harvest." Luke 10:2
