

Pray for the Wrights MISSIONARIES TO GREENLAND

August and September 2017,

We are grateful for the opportunity to be a part of the advanced missionary training at Baptist Bible Translators Institute in Bowie, TX. Currently we are taking World View, Phonetics, and Cultural Anthropology. Each day the classes go from 7:45 to 2:00 with work detail until 5:00, and homework each night. We are busy! World View, we learn of people and places all around the world that are in need of missionaries. We pray for each of these places, BBTI missionaries, and requests from fellow students. Phonetics is a valuable tool that will aid us, if applied properly, to hear and speak a foreign language more efficiently and accurately. Cultural Anthropology will help us in learning the language, communicate effectively, and ultimately help us plant churches that are indigenous. There are times that we are overwhelmed with the amount of information, but figure if we can apply just a small portion of what we are learning, we have to be better than having not come at all. The Lord knows what we need in our learning and preparation for Greenland. Please for us as we try to absorb the training.

We are also still very busy with scheduled meetings until the end of next May with some open Wednesdays. We are excited that our current support level is around 80%. Please continue to pray for us that the support level will be sufficient by next July. We covet your prayers also as we will soon be looking at all the logistics and finances to prepare for our move to the far north.

One blessing that my family is enjoying, is that we are working and staying in one place. Having been on the road full time for 19 months we have not had a home to occasionally "retreat" to. This has brought stability and a schedule to our family again. Jaydon and Nate are taking the phonetics classes with us. They seem to have a better "ear" than we do. They along with Sarah seem to be handling the adjustment in Bowie, Texas, very well. Please continue to remember our older two children, Katelynn and Timothy in your prayers as well.

Thank you for your support in prayers and finances. We pray the Lord will richly bless you.
